Dear Parent/s,

Each term teachers plan, as part of our comprehensive curriculum, activities that enrich the learning experience for students. These activities sometimes incur a cost beyond that included in the annual curriculum contribution paid at the beginning of the year. Apart from extra-curricular activities such as Camps and Swimming it is expected that these will be the only curriculum costs for families this term.

Please find below the Term Three collection for enrichment activities for your child's class. This term we have also attached, for your convenience, permission notices for each of these activities.

Families eligible for the State Government payment through the **Camps, Sports & Excursion Fund** may choose to allocate a portion of their funds toward payment for these activities.

PERMISSION SLIPS AND PAYMENT FOR THESE ACTIVITIES IS DUE ON **FRIDAY 21st July, 2017**
Unfortunately students will not be able to participate in these activities if payment is not made.

Thank you for your cooperation.

Daniel Gooding

Kew Traffic School

Dear Parent/Guardian,

We are lucky enough to book a session at Kew Traffic School. This safety program is based on "Kids on the Move." The foundation students will participate in a 90 minute session which includes a 25 minute interactive session. The program will allow the students to gain confidence and develop road safety skill, away from the dangers of real traffic. With roads, roundabouts, intersections, traffic lights, street signs, railway crossings and mini trams.

It's important to note:

Students need to bring their own helmet.

You are most welcome to join us on the day. We do have room on the bus, alternatively you can meet us there. Please note as this day is very interactive we are unable to allow toddlers.
