Unlocking Your Child's Genius

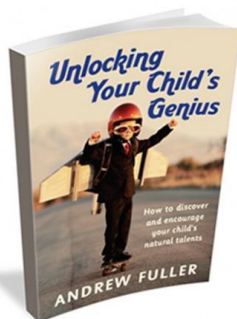

Andrew is a well-known Clinical Psychologist, Family Therapist, Author and Fellow at the University of Melbourne. This seminar is designed to help your child's most important teacher- YOU- develop the skills and ingredients of genius in your child.

Unlocking Your Child's Genius starts with the idea that every child has an inner genius. Young children are like roosters up at dawn, making lots of noise and asking questions. Then by about 7-8 years they often stop asking questions and become anxious. Unlocking Your Child's Genius provides a way for parents and grandparents to keep children's genius ignited.
