

What are all the buttons for?

VCE English resources – this page has digital study guides and links for all English, English Literature and EAL novels 1-4.

A+ Digital Library for the VCE – this button gives you access to the entire Nelson A+ Study guide series including unit notes and exam questions. There are two accounts – if you can't get on with one, try the other. If you always struggle to get access, please let the JRC know and we can purchase more accounts.

eBooks – over 1200 eBooks available for download to your computer, tablet or phone. Adult, Young Adult and Childrens fiction, modern and classics, all available at a click. Logon with your school username and password.

eResources – Access to World Book Encyclopedia Online, eNotes (English study guides and resources), Echo Online (Issues in Society database), Weblinks (an assisted search database – like Google but filters out the dodgy sites), and Online Referencing Generator (do-it-yourself Harvard referencing). All accessible from home and school.

Your Tutor – if you are a Frankston City Libraries (FCL) member you can access Your Tutor for free. Operated by Monash University tutors Monday to Thursday 4pm-9pm, it provides tutoring across all subject areas via a live chat. Savvy VCE students in the past have even uploaded essays for tutors to critique. You can join up to FCL online and get access straight away.

Smart Library – our library catalogue – you can search our collection here!

We also have a full collection of Checkpoints, A+ and NEAP study guides for all subjects in the Science Centre Pre Room, along with print guides for English texts. Simply present your Compass Card in exchange for the resource (for use in the Science Centre ONLY).

Many of these resources are also useful for 7-10 students. Any questions – just ask! We are always happy to help!
