

Are you looking for work?

Baptist Care SA's Building Family Opportunities Program can assist you and other members of your family to:

- Seek employment
- Improve your education and employment skills
- Access services that will help you achieve your education and employment goals
- Address personal and vocational challenges

Eligibility?

To be eligible to participate the program, you and your family must be...

- Living in Southern Adelaide
- Have dependents who are under 24 years of age
- And either:
 - a. Long term unemployed or under employed and receiving income support, or;
 - b. Have a family member impacted by retrenchment (within first 3 months).

What is this program?

Our **Building Family Opportunities** has a 'life-first' focus on working with the whole family.

This holistic view helps achieve greater success as our friendly staff provide tailored support to your family.

Case Managers provide professional and practical whole of life assistance to encourage and support members of families to reach their full educational and employment potential.
