**Don't
wait.... Try it
out now!**

**Good luck
in the draw!**

Let us pay your Essential Items for next year...

Introducing Qkr, its a free app and lets you pay for school items directly from your phone... no more queueing!

You can pay for lunches or breakfast at the canteen.

As events are introduced during the school year – you will also be able to view and pay for items, including excursions, special food days, concert tickets, essential item payments, voluntary parent contributions,.... These can be paid from the

convenience of your lounge room! And the receipts for all payments can be easily seen on your screen.

So, as an incentive to get on board... every fortnight, each **new** person that uploads the app and purchases an item will go into the draw.

The Winner will have their essential items paid for 2016. That's value of \$50 to \$125 depending on the student's year level. Your chance to win every fortnight till the end of the year.

- 1. Download the app**
- 2. Find Carwatha**
- 3. Register your students**
- 4. Now you are ready to pay for meals and other items!**
