What's new in 2018?

PRESENTED BY

John Present – Head of Senior School

WHERE?

Downstairs in Room S13

SESSION 1

7:20 - 7:40pm

SESSION 2

8:20 - 8:40pm

There are some new, and exciting changes to the Senior School in 2018. Come along to this seminar to hear about how the changes, especially at Year 9 & 10, will deliver a well-rounded, and academically challenging curriculum from a Christian worldview. This seminar is a must for first-time Senior School parents, or those interested in what happens at Senior School at St Andrews.

Managing school-related stress TIPS FOR PARENTS & STUDENTS

PRESENTED BY

Jo deMeester – Student Wellbeing
& Year 9/10 Coordinator

WHERE?

Downstairs in Room S11

SESSION 1

7:40 - 8:00pm

SESSION 2

8:20 - 8:40pm

Stress can be one of the most challenging aspects of Senior School for students (and parents!). How to deal with stress, and some of the associated challenges can have a significant impact on academic, social and emotional outcomes. Our Student Wellbeing coordinator, Jo, will talk through how to approach de-cluttering the mind, the burden of perfectionism and stress management; all from a Christian worldview. Come along to this seminar to see how to prepare you and your student for their journey through Senior School.

What is VCE?

PRESENTED BY

Natalie Farmer – VCE Coordinator

WHERE?

Downstairs in Room S11

SESSION 1

7:20 - 7:40pm

SESSION 2

8:00 - 8:20pm

Ever wondered what VCE is? What are 'units'? How many units does my student need to complete VCE? What is a normal load of subjects for students? Am I able to accelerate? Understanding exactly what the requirements are to fulfil the VCE, and the options available can be daunting and complex. All these questions and more will be answered about the Victorian Certificate of Education (VCE) at St Andrews Christian College in this seminar.

How does scaling/ATAR work?

PRESENTED BY

Greg Crotty – Physics & Maths Teacher

WHERE?

Downstairs in Room S13

SESSION 1

7:40 - 8:00pm

SESSION 2

8:00 - 8:20pm

Do bell curve standardisation and standard deviations excite you? Want to understand the nuts and bolts of ATAR calculation and study score scaling? Then this is the seminar for you. This seminar promises to be an opportunity to learn more about how scores are calculated from a students' performance in the classroom.
