Fero isn't a spy. But, he looks exactly like Troy Maschenov, a ruthless enemy agent. What starts out as mistaken identity quickly turns into a complicated and dangerous plan. Fero is recruited to fight for his country. He has to impersonate Troy, enter enemy territory, hunt down a missing agent and bring her home in time to prevent a devastating terror attack. Hastily trained, loaded up with gadgets and smuggled across the border, Fero discovers the truth about espionage. Getting in is easy. Getting out alive is hard.
