

# **PRESS RELEASE**

GV Rail Club will hold Shepparton's 10<sup>th</sup> model railway exhibition at the McIntosh Centre (Shepparton Showgrounds), Thompson Street, on Saturday the 21<sup>st</sup> and Sunday the 22<sup>nd</sup> of October 2017.

The opening times are Saturday 9.00 am to 5.30 pm and Sunday 10.00 am to 4.00 pm and entry costs are \$9.00 for adults, \$4.00 for kids and \$20.00 for families (2 adults, 2 children); great value for hours of entertainment!

There will be 17 train layouts originating from Benalla, Wodonga, Stawell, Melbourne and the Surf Coast as well as GV Rail Club members and other local rail enthusiasts. Static displays from Moira Miniature Railway, a prototype signalling display and "How To" demonstrations will round-out the show. For those bitten by the rail bug at the exhibition, six specialist stores, including the highly regarded Train World from Brighton, Airport West Hobbies and two second-hand stalls will be on site, selling train sets and model railway goods so you can get your own layout up and running in no time. And for those interested in *big trains*, 'Railfan' DVDs, magazines and books will also be available.

GV Rail Club members are delighted to have Greater Shepparton City Council as benefactors and Platinum Sponsors Plunkett Orchards and Tatura Dental Care on board once again.

Our past exhibitions have seen, on average, around 1200 very happy people passing through our doors and we host around 40 exhibitors from around the state and interstate over three days. We are looking forward to our second exhibition at the McIntosh Centre this year and are sure everybody who comes along will enjoy the trains with us!
