

**MEMO**

**Date:** 28<sup>th</sup> April 2017  
**To:** All Schools  
**From:** Forest Coach Lines  
**Subject:** School bus stop safety

---

To whom it may concern,

Following a recent tragedy on the state's Central Coast, we are asking all schools to remind parents and guardians not to wait on the opposite side of the road from the bus stop where their children alight.

Many accidents involving students being hit by moving vehicles occur when a student is crossing a road from the bus stop to a parent or guardian waiting on the opposite side of the road. Parents and guardians can reduce the risk of a serious accident by waiting on the same side of the road as the bus stop wherever possible.

We would also like to take the opportunity to remind parents and guardians of the 40km/h speed limit applicable when in the vicinity of any bus that displays a 40km/h sign with accompanying flashing lights on both the front and rear of the bus.

Yours sincerely,

Jay Zmijewski  
Operations Director
