# THE MADA CREATIVITY ROADSHOW

## We're bringing the creativity to you!

Come and join our students and staff from Monash Art Design and Architecture (MADA) for a workshop on creativity.

At our workshop you'll experience some of the processes we use to creatively engage with the world, and see how we contribute to its culture and help solve some of its challenges.

Whether you're interested in art, design or architecture – or all three – you'll enjoy the chance to engage in creative making and thinking and see just how exciting a future in these creative areas can be.

They're free, fun and full of 'WOW' moments. Come along and see what they are all about!

## JOIN US

**Year 11 and 12 students welcome**

## NORTH MELBOURNE

### Northcote High School

#### DESIGN HUB

19-20 St Georges Road, Northcote

Monday 25 June 2018
