GREAT FUN

Hello and welcome to another Camp Australia news,

As Camp Australia is new to Bayside Christian College some people are unfamiliar with the Camp Australia booking procedure, children can be booked into afterschool care at any time the day of care providing they are registered to us our service, this can be done by booking online through the parent portal, calling customer care or by leaving a message on the afterschool care phone. We do recommend that you also let the school know so the children's teachers are aware and can remind the children where to go. A few families have asked about afterschool care on days of early finish such as parent teacher interviews, Camp Australia open at the completion of the school day so we will be open at the time of early finishes for the children to come over as normal.

Just a small reminder to all families using afterschool care to please use the door located on the walkway at the side of the building as to not disturb the school staff in the office spaces located near the other entrance.

Afterschool care is located in the F block and we welcome families to come in to the afterschool room even if it's just to have a look at our program, meet our staff or ask any questions you may have.
