4th, 5th & 6th July, UNSW Kensington Campus

UNSW Science is offering 1 day face-to-face study programs in Physics, Chemistry and Biology to assist Year 12 students in preparing their HSC exams. Students will also be provided with online study resources which they can study at their own time.

- Understanding as the "marker" as audience
- Idea of what they know and what they don't know.
- Skills in using the ample assessment resources provided by NESA

Cost: \$95 for each day course.
