Speak With us today!

*Ready for a fresh new direction? This could be your opportunity. Make a fresh career choice with us today! Woolworths Group is seeking talented people to join the team who wish to be part of an exciting new venture.*

---

## About us...

At Woolworths, spreading the joy of food to our customers is the reason we do what we do. We live it, we breathe it. Woolworths offers real opportunities for career development, for those who love food, leading & developing teams and creating a great customer experience.

So if you're someone who leads by example and strives to be better every day, then we would love to hear from you.

## What we can offer...

- Exposure to a diverse range of products
- Structured learning and development environment
- Career Growth Opportunities
- We have both Part-time and Casual positions available for the new Dedicated Online Supermarket (DOS) Brookvale.

## About you...

Have you got the right ingredients to be successful? The Fresh Food People share a love of customers, team and food. From ensuring our customers are top of mind each and every day, through to driving fresh ideas to continually improve what we do, you'll constantly strive to be the best, delivering a world class customer experience.

We have many opportunities available including:

- Personal Shoppers
- Replenishment Team Members
- Inventory Team Members
- Fresh Food Team Members
- Bakers
- Store Services Assistants

## What you will need...

- Ability to work flexible retail hours
- Perform repetitive lifting (sometimes heavy)
- Abide by company policies and procedures at all times
