

## Senior School

26<sup>th</sup> June, 2017

Dear Parent/s,

Each term teachers plan, as part of our comprehensive curriculum, activities that enrich the learning experience for students. These activities sometimes incur a cost beyond that included in the annual curriculum contribution paid at the beginning of the year. Apart from extra-curricular activities such as Camps and Swimming it is expected that these will be the only curriculum costs for families this term.

Please find below the Term Three collection for enrichment activities for your child's class. This term we have also attached, for your convenience, permission notices for each of these activities.

Families eligible for the State Government payment through the **Camps, Sports & Excursion Fund** may choose to allocate a portion of their funds toward payment for these activities.

PERMISSION SLIPS AND PAYMENT FOR THESE ACTIVITIES IS DUE ON **FRIDAY 21st July 2017**.  
*Unfortunately students will not be able to participate in these activities if payment is not made.*

Thank you for your cooperation.

Daniel Gooding

Year 5 & 6 – Family Life Victoria

Dear Parents,

As part of our Senior School program in term 3, students will participate in a Sexuality Education program, run by Family Life Victoria (FLV).

This program provides students with consistent, accurate information about a range of topics relating to your child's development and the process of conception, foetal development and birth. It is important to note that the approach used by FLV is one that is straight-forward and sensitive. The content is age-specific and interactive, using a variety of visual materials, discussions and games.

Prior to the student sessions, there is a parent information session. This will be held on **WEDNESDAY 2<sup>nd</sup> AUGUST, 2017 at 7:00pm in the Senior building**. There is NO cost involved for this session as it is designed to give you a better understanding of the content and issues covered. ***A notice regarding this session will be sent home at the beginning of Term 3.*** Nibbles and refreshments will be provided. We look forward to seeing many faces!

The classroom sessions for students will be with the FLV presenter, and classroom teachers will also be involved. The dates and times for these sessions are as follows:
