Summer School Holiday Fun

Are you ready for 'Passport To Summer' these school holidays? We are!

Feature theme days these school holidays include:

Overflowing Fun

Make your very own erupting volcano

Frame of Mind

Creatively decorate your very own mosaic photo frame

The Great Games Spectacular

Spectacular outdoor games with friends

Construction Zone

Build up to eight different construction vehicles

Back To Cool

Tie dye bags and pencil cases

Welcome to our last news letter for 2017

The children have been busy excitedly working on lots of Christmas craft over the last few weeks with a focus in our craft being sustainability, this teaches the children a level of respect for the environment and shows them that you don't need anything but your creativity and you can have an amazing time, we have a saying at our afterschool care craft table 'the only limit is your imaginations' and the children have really embraced this especially over the Christmas season.

The children and staff have been busy planning an

Afterschool care end of year celebration for the last day of school (the 13th of December), at the end of the school day all children who have attended Camp Australia during the year will be welcome to drop in and have a little goodbye party. Afterschool care will be starting at the end of the school day for the last day of term at 2:30 pm so please feel free to drop in and share some fun before you embark on your school holiday adventures.

On behalf of all the staff who have had the pleasure of being apart of your children's school year we would like to thank you for allowing us to be apart of your children's educational journey and wish you all a truly merry Christmas and happy new year and we look forward to seeing you all for a new adventure in 2018.
