

?

\$200 to spend

?

If I had \$200 to help the community

I would make a disabled group,

disabled people could come join this

group no matter what disorder they

have. We could meet in a hall every

Sunday, Tuesday and Friday 1:00-2:30 pm

We could do boardgames, arts and craft.

They could make special things for

Mothers day, Fathers day, christmas ext.

We would provide food and drinks. I really  
hope this would make them feel ebullient.

That's what I would do.
