

Dear Parents,

Tuesday 28<sup>th</sup> February

It is important to acknowledge the achievement of graduating from primary school. At Kilsyth Primary School we hold an official celebration for Year 6 students in the form of a Graduation Evening. The Graduation is primarily organised by a committee of parents with teacher support when needed.

The first Graduation meeting will be held on Thursday the 9<sup>th</sup> of March in the Senior Building at 3.45. At this meeting we will mainly be discussing and organising fundraising opportunities.

If you would like to be on the 2017 Graduation committee please return the form below. If you cannot come along to the meeting, please make sure you still return the form below.

Thank you in advance,

Fiona Meilak, Kate Thomson, Karen Donnelly & Chris Roscoe

(Senior School Teachers)
