

March 2017

Northern Beaches Hospital road upgrade Installation of additional site compound and laydown area from Monday 27 March

The NSW Government is upgrading roads around the new Northern Beaches Hospital with work proposed to be completed in 2018.

Roads and Maritime Services will establish a new site compound and laydown area from **Monday 10 April** on Wakehurst Parkway, near Dreadnought Road, Oxford Falls.

Work to establish the site will be carried out from **Monday 27 March** and will take around two weeks to complete. This work will be carried out from **7am to 6pm** between **Monday and Friday**, and **8am to 1pm** on **Saturday**.

This compound will be used for the duration of the project and may be used outside our standard working hours. Any work outside of these hours will be carried out in accordance with the project approvals and the community will be notified in advance.

The work will involve:

- establishing the site
- installing fencing and environmental controls
- clearing and trimming vegetation
- constructing access and egress points, and access tracks for construction vehicles
- carrying out earthwork for storage areas
- installing site sheds.

The compound will be used for:

- laydown area for equipment
- storage of materials including stockpiling non-contaminated materials
- car parking for workers
- storage of containers
- site amenity sheds for workers
- delivery of plant and equipment.

We have included a map to show the location of the work.

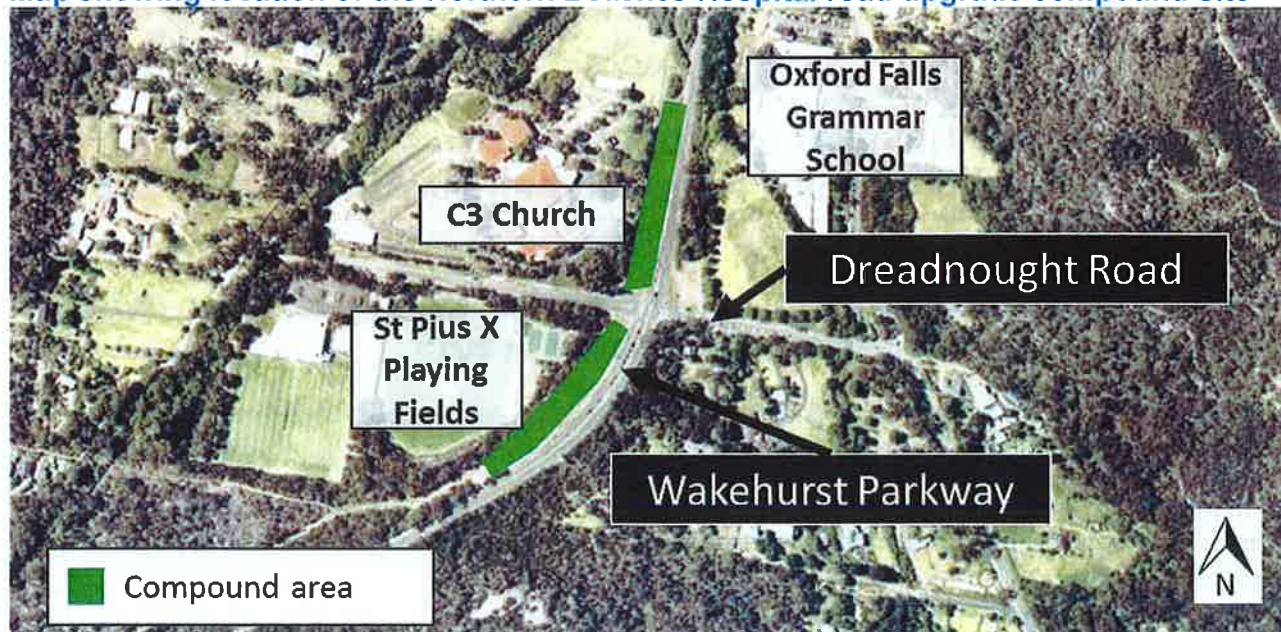

How will the work affect you?

Our work may be noisy and there may be some disruption associated with this work including vehicle movements during set up and use of this facility. Machinery and equipment used during the setup may include excavators, trucks, rollers, mobile cranes, concrete trucks and equipment, power generators, hand tools and light vehicles. Every effort will be made to minimise impact to the local community.

Traffic changes

There will be some temporary traffic controls to ensure the work zone is safe. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
