*Welcome*

The children have been sharing interests and experiences and learning about relationships and responsibilities for pets. This week our crafts and activities were all focused on the different type of pets the children in OSHC have.

## Holiday Program

The holiday program will be running from Monday 25 June to Friday 13 July. We are taking bookings now. Please phone/text 0467 772 667 or email us at: [aitken@kellyclub.com.au](mailto:aitken@kellyclub.com.au)

## Curriculum Day

We will run care on the Student Free Day, Friday 22 June, depending on numbers. So please let us know if you are interested.

## Room Change

Due to the Cumberland Dance Party being held in Common Room 1 on Friday 15 June, we will be relocating to Common Room 2 (near the computer room).
