

Colour Fun Visual Art Program at Milgate Primary School

Programs

Level Caterpillar (recommend Foundation – Year 1)

Level Caterpillar is a great starting level for Children who want to extend and discover their creative and imaginative ability. This level opens the eyes and mind to observing and exploring the magic world around them and leads to developing confidence with lines, shapes and colours. Students will experiment with the basic art elements through visual and imaginative images.

Level Butterfly (recommend Year 2 - 6)

Level Butterfly is designed to encourage young minds to stretch their creative and imaginative abilities. Students will explore the three dimensional world through learning light, shade, space, texture and colors. They will understand the general concept of art, such as composition, contrasting etc.

Level Rainbow (Year 5 - 6)

Level Rainbow is an **advanced** level, open to the students who want to develop and enhance their creative and imaginative skills. Students at this level study professional drawing, design, sketching, portrait work, landscape and multi-media. They will combine all the elements of art to create a quality art expression.
