**MELBOURNE POLYTECHNIC OFFERS  
UNIQUE OPPORTUNITIES AND PATHWAYS**

Established in 1977 the Department of Work Education has provided vocational education and training with a strong focus on students' individual learning journey.

Students develop independence and lifeskills to maximise participation in the community and have the opportunity to gain work skills.

The Certificate I in Work Education and Certificate II in Food Processing students undertake vocational electives on campus, on site, in industry and practical placement during the year.

Student welfare is a priority.

Flexibility in study mode to fit around part time work, NDIS program and meet individual needs. Build your confidence and capacity in a safe supportive learning environment with the encouragement of friendly approachable and experienced teachers.

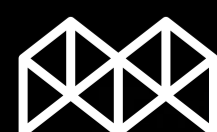

Varied services and facilities are available on campus to enhance the student experience.

Melbourne Polytechnic offers a range of further study options that meet students' interests and goals.

Our dedicated practical placement team has strong links to industry.

**We welcome you to visit and tour the campus.**
