

# We invite you to share our Sorry Day 2018 Commemoration

Twenty one years ago, the *Bringing Them Home Report* was tabled in the Federal Parliament. This day is now known as Sorry Day and is commemorated nationally with thousands of Australians from all walks of life participating in memorial services, commemorative meetings, survival celebrations and community gatherings to acknowledge the Stolen Generations.

*"An apology begins the Healing process.  
It means an understanding, a willingness to enter into the suffering  
It implies a commitment to do more"*
