27th March, 2017

Dear Parent/s,

Each term teachers plan, as part of our comprehensive curriculum, activities that enrich the learning experience for students. These activities sometimes incur a cost beyond that included in the annual curriculum contribution paid at the beginning of the year. Apart from extra-curricular activities such as Camps and Swimming, it is expected that these will be the only curriculum costs for families this term.

As part of our Performing Arts program in Term 3 2017 we will be holding our whole school production. All students will participate in rehearsals and lead up events. A small levy of \$10 will be charged in both Term 1 & 2 to contribute to this learning program.

Please find below the Term Two collection for enrichment activities for your child's class. Attached, for your convenience, are permission notices for each of these activities.

PERMISSION SLIPS AND PAYMENT FOR THESE ACTIVITIES IS DUE ON FRIDAY 28th April, 2017

Unfortunately students will not be able to participate in these activities if payment is not made.

Thank you for your cooperation.

Daniel Gooding
