VTAC Year 11 and 12 Guide

The *VTAC Year 11 and 12 Guide: Researching Courses and Applying* publication is designed to lead students through the course research and application processes, with the expectation that it will make it as straight forward as possible for students. So, Year 11 students will benefit by using this publication to plan, research, and make tentative decisions, whilst the Year 12 students will use it to plan, research, decide, and apply. The publication provides information on *key dates*, *how the application process works*, *useful tips on scholarships*, *VTAC personal statements*, and much more! Although each Year 11 and 12 student will receive their own personal copy, this guide is also available as a PDF - [VTAC Year 11 and 12 Guide](#)

CASPer Entry Requirements for Teacher Qualifications

CASPer is an online test designed to assess an applicant's personal and professional attributes. **CASPer** is a requirement of applying to many initial teaching training courses in Victoria - [CASPer](#)

A number of universities will be requiring students sit the **CASPer** online test as part of the selection into teaching degrees in 2019. Students are encouraged to browse [VTAC](#) and learn which courses will require the **CASPer** for selection.

Melbourne School of Theology and Eastern College Australia are holding a combined Open Day on Tuesday, September the 4th and we would love to welcome St Andrews Christian college students and parents to drop in and explore our extensive range of studies.

We have a wide range of courses from certificate to master levels that will enhance your personal faith journey and better equip you for your career.

Our day program will be held from 10:00am - 2:00pm and our Executive Principal Tim Meyers will be hosting chapel at 10:30am. If you are unable to attend during the day, join us for our evening program which begins with dinner at 6:00pm and finishes by 9:00pm.

For those interested in further developing their vocation or exploring a new career path, MST & Eastern will be hosting a special seminar showcasing our range of 13 different Masters Courses at 7:30pm.

News from Monash University

➤ New Bachelor of Design

Commencing in 2019, the *new Bachelor of Design* will be introduced. Students will get to *combine imagination with logic, take advantage of emerging technologies, and add value to our culture and economy*, through **Communication Design** or **Industrial Design**.

Graduates with the [Bachelor of Communication Design](#): will have sophisticated skills in visual communication, multimedia, interactivity, and motion graphics, ensuring they are prepared for an industry that requires innovative, adaptable designers who can design for the platform that best meets its needs.

Graduates with the [Bachelor of Industrial Design](#): will be equipped to develop effective, attractive, and marketable products, systems and services, from initial concept to final prototype, and to make designs that can be put into production.

VCE requirements are Units 3 & 4: a study score of at least 30 in English (EAL) or 25 in English other than EAL and an anticipated ATAR of 70.00

Music Degree at Monash University

Year 12 students planning to apply for the Bachelor of Music or the Bachelor Music as part of a double degree are advised to note the following regarding the auditions for 2019 selection:

[Audition Schedule for 2019 Entry](#)

Specialisation	Audition Period	Recommended Registration Date
Performance	24 – 27 Sept 2018	August 31 2018
Performance	19 Nov – 7 Dec 2018	September 27 2018*
Composition and Music Technology	You will be asked to submit a folio by 8 October 2018 and may be invited to attend an interview 14-16 November	September 29 2018*

2018. This interview may be done via skype/phone to accommodate VCE assessments.

**If you have missed this date, you can still apply for an audition*

So, performance applicants who register on or before 31 August will be scheduled for an audition time in the September audition period, and all applicants who register for a performance audition **after 31 August 31** will be scheduled for an audition time in the **November/December audition period**. It is recommended, however, that applicants ensure they are available for the entire audition period.

New Melbourne Principal's Scholarship

On offer from 2019 to Victorian Year 12 students, this \$5,000 scholarship is awarded to students in recognition of their academic achievement and contribution to their school or wider community. Eligible students nominated by their school principal as a student with an excellent academic record and a strong record of contribution to the school or wider community will be automatically considered for this award.

New Bachelor of Educational Studies

The new **Bachelor of Educational Studies** has been designed for students who are passionate about becoming teachers, but do not achieve the entry requirements to go directly into a [Bachelor of Education \(Primary\)](#) or the [Bachelor of Education \(Early Childhood and Primary\)](#). Although the 3-year **Bachelor of Educational Studies** allows students to gain a qualification to work in education-related fields other than teaching, it is also designed as a pathway for students who wish to consider future study in teaching in Early Childhood and Primary Education. Students who successfully complete the first year of this degree may be eligible to apply for transfer into the second year of the Bachelor of Education (Early Childhood and Primary) or the Bachelor of Education (Primary). Students who complete the three years of study can progress to a postgraduate Initial Teacher Education qualification.

FedUni's [Bachelor of Information Technology \(BIT\)](#) specialised streams have been developed in accordance with the Australian Computer Society's accreditation requirements and in consultation with IT staff and the industry advisory group. The degree is designed to appeal directly to particular market needs and student interests.

Links to specialised streams of the Bachelor of Information Technology are listed below, and students are encouraged to note the VCE prerequisites each specialisation requires.

- [Big Data and Analytics](#) - analysis of large, complex data sets
- [Business Information Systems](#) - analysis and design of business information systems
- [Cloud and Enterprise Computing](#) - mainframe and cloud computing
- [Games Development](#) - design, creation and production of computer and video games
- [Mobile App Development](#) - with a particular focus on developing apps for mobile platforms
- [Networking and Security](#) - join the war in cyberspace through ethical hacking and data security
- [Software Development](#) - testing, refinement and maintenance of tools and techniques, evaluation of existing products.

September Holiday Programs

Are you interested in working with animals? The RSPCA has a number of programs for students aged 15 – 18 years who are considering working in the animal industry or simply have a love of animals.

Find out more about each program is at [RSPCA Holiday Programs](#)

Scholarships to Study Abroad

*Looking to study abroad but worried about the costs? Good news! There are hundreds of **scholarships to study abroad**, including general scholarships and more specialized funding schemes. Some are offered by government agencies, some by individual universities, and others by external funding organizations and charitable enterprises.*

The **Top Universities website** is an excellent resource to learn more about what scholarships are on offer. Students can search for **region-specific scholarships** or **country-specific scholarships**. Students can even search for **subject-specific scholarships**.

Students are encouraged to browse [Top Universities - Study Abroad Scholarships](#)
