## HOW WE CAN HELP

- **Advocacy** we can speak with your landlord or agent on your behalf to mediate possible issues
- **Information** do you know your rights and responsibilities as a tenant?
- **Budgeting help** we can support you to get your savings goals back on track
- **Life skills** tailored to your needs. From cooking ideas, shopping or study assistance - we can help!

## A plan to meet your needs

You are the expert in your own life. We'll work with you to provide the support and resources you need to succeed. And if we're not the right service to provide the help you need, chances are we can point you in the right direction.
