

Launching our Performing Arts Centre Fundraising Appeal

During our 22-year history, Melbourne Girls' College has continued to offer outstanding opportunities for our students. In the spirit of our desire to offer students the opportunity to 'Lead and Achieve', we are excited to announce our appeal for assistance in the building of a modern and professional Performing Arts Centre.

How can YOU help?

If you would like to make a tax-deductible donation to our fundraising appeal you can do so via Trybooking (<https://www.trybooking.com/OVWF>) or please contact Melbourne Girls' College on 03 9428 8955 for more information.

If a contribution of \$50 was given from each family we would raise \$73,000

We would greatly appreciate all families to consider making a contribution to the voluntary tax deductible Building Fund.
