

RED EARTH DAY

Mooroolbark College – Year 5 Excursion

TUESDAY 25 OCTOBER 2016

Our Year 5 students have been invited to attend Mooroolbark College's 'Red Earth Day' on **Tuesday 25 October 2016**. The aim of the day is to provide an exciting opportunity for Year 5 students to mix with students from a range of other primary schools, and to simulate the experience of going to secondary school, regardless of which secondary school your child will attend.

There is **no cost** involved with the excursion; transport is provided by Mooroolbark College. The day is an 'all-rounder' day of various different activities, and it has proven to be a great day in the past. We are excited to be able to attend again!

The timetable for the day is as follows:

9:00am – board bus at Kilsyth Primary School

9:15am – arrive Mooroolbark College

9:30-2:45pm – various all-rounder activities (with two breaks for recess and lunch)

3:00pm – arrive back at Kilsyth Primary School

Accordingly, please ensure that your child is at school ready for a 9am departure.

Please complete the permission form below and return **no later than MONDAY 24 OCTOBER 2016**. Please note that if your child's permission form is not returned by this date, they will not be able to attend. Our apologies for the short timeframe – our ability to attend the day has only just been confirmed.
