

Interpersonal Communication Workshop for kids age 11 to 15 yrs

Workshop Overview:

This **4-hrs** workshop over **two days** is designed to empower children (**age 11 to 15 years**) on their personal development. They will learn few tips and techniques on how to communicate better with friends, family and classmates. We will focus on the art of effective listening and much more.

Purpose of this program:

Every young person has the potential to become a good communicator and leader, but this potential needs to be developed.

It is a program designed to give a basic idea and take home some techniques for practice.

Participants learn to:

- Overcome nervousness when speaking before an audience.
- Organize and present ideas logically and convincingly.
- Listen carefully to others' ideas.
- Offer advice to help others improve their speaking and leadership skills.
- Participate in—and lead—group discussion

About the coach:

Fatema is an Educational Master coach and a tutor. She has a hands on experience in empowering children in public speaking and helping them overcome their stage fright and loves helping children in filling their learning educational gaps. She does what she loves and loves what she do.
