NAPLAN Online Readiness Tests

Dear Parents & Carers,

NAPLAN is moving online. This means moving NAPLAN from the current paperbased tests to computer-based assessments. The transition to NAPLAN online will commence from 2018. All schools will be undertaking NAPLAN as paper-based tests in 2017.

On Monday, Tuesday, Wednesday of Week 8, (4th, 5th & 6th September), Years 7 & 9 will participate in the NAPLAN Online Readiness Tests.

This is not a test of their literacy and numeracy skills, but an opportunity for them to experience the online test format and for their school to assess its online testing capability. No results will be returned to the students, school or parents.

Students will **not** have to provide their own device for the 'readiness' tests. They will, however, need to provide headphones or earphones to listen to the instructions during the test. There may be a few spare sets for those who forget.

Please find attached a timetable for the completion on the tests and a NAPLAN Online Parent Fact Sheet
