

Help protect yourself from Crime

Hi everyone, a message from your local pro-active police officers.

With school holidays around the corner and many will be taking advantage of the time to maybe driving in and around areas unfamiliar. Take your time on the roads, remembering to take regular stops to rest.

If you are planning a trip to the alpine areas now that the snow season has extended into October, be especially careful on wet or icy roads making sure you prepare well, be patient and travel at the appropriate speeds.

Remembering—SEAT BELTS at all times and SPEED KILLS
