

BECOME A LIVE-IN MENTOR ENQUIRE NOW!

Are you compassionate and interested in making a real difference in young people's lives? Would you like to be a positive role model and receive free accommodation and utilities at the same time?

Become a Live-In Mentor (Lead Tenant) and help reduce young people's risk of homelessness. As a positive role model you will help young people get ready for their next journey – full independence. Easily combine this volunteer role with your part-time or full-time work or study commitments. Wantirna or Surrey Hills location.

Your role will be to live in a share house with another Live-In Mentor, as well as two young people aged 16-18 from state care. You will help teach the young people independent living skills, provide emotional support and help keep them connected to friends, family and the community. A background in health, education, youth work or community services is preferred but not essential. Previous youth volunteering experience will be highly regarded.

Email fostercare.eastern@anglicarevic.org.au for an application form or call Cathie Manuel on 9735 4188.
