

# Student Led Conference

**Wednesday 13<sup>th</sup> September 2017 - 3:45pm to 6:30pm**

To celebrate your child's achievements in the classroom, we would like to invite parents/friends to come and view their child/children's learning journey. Student Led Conferences are a valued component of each student's assessment. This is an opportunity for students to highlight and evaluate their learning in the classroom. It enables students to share with their families and to inform them of their learning goals, achievements and success' to date.

Each session runs for 15 minutes in the child's classroom. Multiple sessions can run at the same time. The session is led entirely by the student.

Please choose a time on the slip below to share this special time with your child/children. Return to your class teacher by **Monday 4<sup>th</sup> September**.
