

## My NDIS Pathway and Participant Readiness information session

### Would you like more information on how to access the scheme or help to prepare for your NDIS planning appointment?

The NDIA is running regular information sessions to help people with disability, families and carers to help them:

- Gain information about accessing the NDIS
- Understand what may be included in an NDIS plan
- Prepare for their first planning conversation

This session is for people who would like further information on how to access the NDIS or those who have already been made eligible for the NDIS.
