Our Purpose

Is to provide a safe, supportive and challenging learning environment that focusses on nurturing the whole person in order to develop active and self-aware contributors to our global community.

Inspiring Brilliance

Every child has a gift, a particular skill, a special something that can make a difference – to their own lives, to the lives of those around them and to the future of our world. And every child has the potential and the opportunity to be their brilliant best.

At Scoresby Secondary College, we believe in providing a learning environment that appreciates and nurtures each and every child's individual brilliance and inspires them to make a difference in our global community.

The symbolism of the coloured star without a defined border is in recognition that we do not want to limit our student's opportunities.

Inspiring Confidence

At Scoresby Secondary College, we're about inspiring confidence.

Inspiring confidence in our parents.

Our parents knowing that their child is safe, happy and nurtured as a whole person.

Inspiring confidence in our community.

Our community knowing that we are building confident and capable citizens.

Inspiring confidence in our tertiary providers and employers.

Tertiary providers and employers knowing that our students have the best foundations for life ahead.

And most importantly, inspiring confidence in our students.

Our students confident to be the best they can be and make a difference in our global community.
