

# JUNIOR LEVEL NEWSLETTER

Kilsyth Primary School

Term 2, 2017

*Welcome back! We hope you enjoyed the holiday break, and had an opportunity to relax with your family. This term is jam-packed full of learning experiences, our Term newsletter will give you a snapshot of what we will be doing in the classroom over the coming weeks.*

## **This Term...**

The students have settled back into school routines quickly, and are participating enthusiastically in their learning!

The topics we will be covering this term include:

**Reading:** Predicting and Questioning

**Writing:** Procedural and Informative

**Maths:** Shapes and Objects, Time, Place Value, & Addition Concepts

**Integrated:** Past and Present Childhood, People are Connected to Places

Don't forget to download the SeeSaw app and scan your child's QR code to receive snapshots of the learning we are doing

## **Home Reading**

It is an expectation that all students will read for at least 10 minutes every night. We only improve with practice. This is true in everything we do. In order for students to become fluent, independent readers it is vital they are given many opportunities to practise these skills and strategies, and to read a wide range of text types. Spend a few minutes talking with your child about what they have just read. Encourage them to give as much detail as possible, in a logical order. Make connections between the their reading and their own lives. Include knowledge they already have and relate books to other books they may have read.

Happy Reading!

Welcome to KPS Lola
