

## Motivate to Communicate

**This session is being run jointly by Niva Nair and Rochelle Mutton**  
(SA Speech & Hearing & Motivate Kids)

- How much of your child's development delays are due to undiagnosed hearing issues
- How much is due to auditory sensory issues?
- How does it impact on behaviour?
- What can you do to support your children?
- Come and find out about these and much more

### SOUTH
