

1<sup>st</sup> December 2015

## Orienteering Incursion

As part of our numeracy unit on location, mapping and direction, Grade 3 will be having an *Orienteering* incursion on *Thursday 10<sup>th</sup> December.*

Students will be involved in several fun introductory activities teaching direction and orientation. Students will then weave their way through an Orienteering/Treasure Hunt Course following cryptic clues and using their newly attained knowledge. Throughout the session students will learn about how to use a compass, basic principles of direction and orientation, working together as a team. Students will also get to make and keep their own working compass.

The cost of the incursion is \$ 14.50 and is covered by the Excursion Payment Scheme. If you have not paid this please enclose the money with the permission form and return it to school by Tuesday 8<sup>th</sup> December.
