

CO-CURRICULAR OR SERVICE SCHEDULE

In addition to meeting academic requirements, we will be introducing a co-curricular or service requirement.

This model is designed to strive towards admissions that will **promote the concept of holistic student assessment**, and **enhance the employability outcomes of our graduates**.

SKILLS
There are seven skills that are acknowledged as part of the process: <ol style="list-style-type: none"> 1. Community Engagement 2. Inclusion and Awareness of Diversity 3. Communication 4. Leadership 5. Personal Responsibility 6. Teamwork 7. Creative and Critical Thinking

CLUSTERS/ACTIVITIES
These skills are matched against activities in the following clusters/activities: <ul style="list-style-type: none"> – Academic Extension Activities – Educational and Scholastic Activities – Community and Service Activities – Employment – Creative and Performance Activities – Gaming, Sport and Fitness Activities

This process will:

- operate as a simple threshold which **is met when an applicant has attained 3 out of 7 skills**
- apply to all students applying through the ASA project
- promote engagement and well-roundedness
- highlight skills that enhance employability outcomes of students
- give students an opportunity to tell us more about themselves and give us an opportunity to recognise that

This process will not:

- competitively rank students by the activities they undertake
- change a student's ATAR, or impact other entry requirements
- replace ANU adjustment factors (bonus points)

Activities specified below must be pursued sometime during secondary studies (Year 10 through to Year 12) with commitment requirements being met prior to the application deadline of 31 May 2019.
