*If you have already printed your e-ticket, there is no need to wait in the queue at the ticket table. The ticket table is for new ticket sales and lost/replacement tickets.*

*A jug of water with plastic cups is always provided for students without pocket money.*

*As our discos are chaperoned by PCYC, parents are welcome to drop students off at the disco, however we cannot release a child without an adult, so parents must come to the doors of the PAC at pick up. Younger siblings are welcome at the Junior Disco with an accompanying adult: \$5ea.*

*None of the parents, teachers, or staff you see helping out at discos are paid to be there. They are all volunteers helping to raise valuable funding which is used entirely to enhance the quality education of your child.*
