## 2016 VET Taster courses ▼

Are you thinking about doing a VET course in the Northern Melbourne VET Cluster in 2017? If you are currently in Year 9 or 10 you can get a feel for studying a VET course by participating in a VET Taster. This is your opportunity to have a go at 'hands on' activities and find out more about a VET course and whether it is for you.

To participate in any of these VET Tasters you will need to speak to the VET Coordinator at your school who will organise your enrolment with the NMVC Host school.
