

# Flashy Wearables Workshop

Ever wondered how those fashion designers have been incorporating electronics into their designs?

**Learn how to design your own creation!**

No programming, engineering or robotics experience necessary, although sewing skills a definite advantage.

Use conductive thread, LEDs, batteries and programmable electronics to make your own creation

Combine circuits with sewing techniques to create something unique to take home

**Thursday 19 April  
1-3pm**

**Cost \$60 per person (includes materials)**  
**Suitable for 12+ years | Bookings essential**

**WOODCROFT LIBRARY**

175 Bains Road, Morphett Vale | 7200 2588 | <http://tinyurl.com/ybeyfqxs>

**ONKAPARINGA LIBRARIES**  
your place
