DIGIMAKER
Programming for young Makers

Computer Programming Club

In a world where technology touches every aspect of our lives, it is crucial that our children understand how it works. To accomplish this objective, there is an exciting **Computer Programming** club running at the school.

The aim of the club is to provide students with exposure to the fundamentals of computer science concepts. Run by external consultants from Digimaker, this program will:
- Build games, animations, stories utilizing pupil's creative thinking
- Develop logical thinking and problem-solving skills
- Express ideas & boost confidence working in a collaborative environment
- Enable the grasp of computational thinking which combines math and logic

For details on the course, visit http://www.digimaker.com.au/courses/

The club will run for 7 to 10 weeks each term (depending on the length of the term) and is charged on a per-term basis. Students work on school computer during the session.

Program for Term 1 2018 is as follows:

Term 1 :	Every Monday, 05th Feb to 26th Mar (**7 weeks** – 12th Mar Public Holiday)
Time :	3:40pm – 4:40pm
Room :	Computer Room
Grades :	3 to 6
Fee :	$133

If you are interested in your child being considered for the programming club, please fill in the form at the bottom of this letter and **return it to Office by Thursday 14th Dec 2017**. Digimaker will confirm your child's spot via email.
