*Save 50% or more with government rebates.

The Australian Government has two payments to assist families with the cost of child care:

- The Child Care Rebate (CCR): is NOT income tested. It pays up to 50% of your out of pocket costs of up to \$7,500 per child, each year.
- The Child Care Benefit (CCB): is income tested and scaled, resulting in payments of between 0% and 85% of Camp Australia fees.

Nearly all families are eligible for government rebates.
