We're going to get creative – and a little messy – as we use gooey, melty wax to create a cool sculpture to take home.	Today we'll pick up real musical instruments and work together to learn a song as a real rock 'n' roll band. Then we'll take to the stage to rock out in front of our mates.	Let yourself transform into a super fun super hero. This is your chance to show your creativity and maybe even save the world!	We're heading out for a day of laughs as we take in a child friendly show, Kids Party Confidential at the Melbourne Town Hall as part of Melbourne's International Comedy Festival.	We're turning into wizards for a day of magic. We're making all types of wicked potions, including some slippery slime to take home.
We're getting ready as a tribe to compete in a series of team challenges to see if you're a mini Survivor!	Time to put our engineering skills to the test and build our own incredible marble run.		Time to roll up our sleeves and design your very own 58cm skateboard deck. These make an awesome decoration to hang in your room!	Today is all about sharing our favourite stories as we swap books with our friends.
