

UNIFORM POLICY

RATIONALE

This policy specifies the approved school uniform that all children at Galilee Regional Catholic Primary School must wear on a daily basis. Wearing the correct uniform is in keeping with our aim of developing in our students, a feeling of belonging and a sense of identity. The positive image that the school presents to the community is given high priority. Students must wear the uniform on each school day and the uniform must be presentable at all times.

PURPOSE

1. To ensure an acceptable standard of neatness and comfort is maintained by the students whatever the occasion.
2. To provide styles that will enable children to fully enjoy and participate in all school activities.
3. To allow students to feel a sense of belonging to Galilee.

POLICY STATEMENTS

1. The school appreciates every effort made by families to ensure that the correct uniform is worn by all students.
2. The approved school uniform, appropriate to the occasion, is to be worn by all students attending Galilee Regional Catholic Primary School. Students need to wear the correct uniform to school on a daily basis, and to and from excursions unless otherwise stated on a permission note.
3. The standard uniform must be worn to and from school each day. Teachers will notify students of any occasions where the standard uniform is not required such as special events and sporting activities.
4. If there is a genuine reason for a child to be out of uniform on any particular day, a signed note must go to the student's classroom teacher at the start of the day stating: the

student's name, the date, the reason and when the student will return to wearing the correct uniform.

5. Where a student is unable to wear an item due to allergies or health issues a doctor's certificate is required for or an agreement to be made between the Parent and the School. In such cases the parent will contact the Deputy/Principal.

6. A note will be sent home from the school if a child is not in correct uniform, without written communication from a parent or guardian. If it continues, further actions may apply to ensure the correct uniform is worn.

7. A copy of the standard uniform code is made available to parents at enrolment and is published on the school website and in the school newsletter.

8. Families experiencing difficulty in the purchasing of uniform items are encouraged to contact the School Office for support.
