

2018 School Soccer

Expression of Interest

Dear Families,

The school soccer season starts on the first Saturday of Term 2. Games are then played EVERY Saturday morning until September. We will be able to distribute the fixtures on the first week of Term 2.

Training sessions are held here at Morphett Vale East School. Each coach will decide what day and time they will train on and will advise their team in due course.

All players will need to have their own boots and shin pads for both games and trainings. A water bottle will also be needed. Please note that jewellery is not permitted.

Our school has printed uniform tops which will be given to each player once a \$20 deposit has been paid. This deposit will be refunded if / when the top is returned cleaned and in the original condition.

The cost per player for the season is \$100. This money needs to be paid directly to the Morphett Vale East School Finance Officer who will be happy to arrange a payment plan if required. To ensure that your child receives a trophy at the end of season presentations in September all monies must be received by the end of August. We do not wish to disappoint any players but there is no exception to this rule.

Please complete the tear off section below if your child would like to be included in a team. Once teams have been allocated more information will be sent home.

Kind regards
Christine Hartwell
