Welcome

Welcome back to Term 2.

Many of the OSHC children joined us at Vacation Care. The children enjoyed theme days such as science, Disco, Space, Super hero and Monster day. At the Science incursion, Miss K from Scienceworks led us in some very exciting and educational experiments, using dry ice and fake snow. The children had many questions and participated in a variety of learning activities.

New Child Care Subsidy

The package includes a new Child Care Subsidy, which replaces the current Child Care Benefit and Child Care Rebate.

When the Child Care Subsidy commences on 2 July 2018, it will:

- replace the Child Care Benefit (CCB) and Child Care Rebate (CCR) with a single, means-tested subsidy
- be paid directly to providers to be passed on to families
- be simpler than the current multi-payment system
- be better targeted and provide more assistance to low and middle-income families
