

Volunteers Wanted for the 2018 Kitchen Garden Program

Be part of the Aitken College
Stephanie Alexander Kitchen Garden Program!

The **Semester 2** program involves **Year 5** students growing vegetables and learning to cook with what they have grown.

The success of this unique and exciting Program relies on the support of volunteers.

You don't have to be a green thumb or a master chef, you just have to love growing food, eating food and being with children.

If you would like to volunteer in the kitchen or garden, we would love to hear from you.

(All volunteers require a current Working with Children Check)
