

Notice of upcoming works

Merri Creek Trail Reconstruction Project

A section of the Merri Creek Trail shared path will be reconstructed between Ida Street and St Georges Road, Fitzroy North – Bundara Street Park to Merri Creek Primary School.

As part of our 2017-18 Capital Works Program, we have committed to improving the path surface and grades of this section of the trail. These improvements will make the path safer and improve accessibility for the community.

Timeframe

The works are scheduled for late September and will take approximately five weeks to complete.

Access

During this time, the path will be closed for the safety of contractors and the public.

There will be limited access to the Merri Creek Parklands, between Ida Street and Bundara Street. Detours will be in place for pedestrians and people on bikes. Please refer to the detour on the map above.

All works will be carried out between 7am-6pm Monday to Friday by our contractor, Simpson Construction Company.

Further information
