

Mark Le Messurier – PARENT EDUCATION SEMINARS

TOPIC: *Setting up for SUCCESS series:* REAL ideas to tame ugly behaviours

Mark Le Messurier is a well-known educator, counsellor, author and conference presenter who works around Australasia, facilitating workshops for parents and teachers, and is joining us to present his free parent workshop *“Real’ ideas to tame ugly behaviours and build better ones”*.

This practical **BEHAVIOUR CHANGE** workshop comes from **RAISING BEAUT KIDS** and **PARENTING TOUGH KIDS** and centres around three foundation ideas that every parent struggles to get right and maintain:

1. There is a reason for your child’s behaviour

It is trying to tell us something! As parents we need to be clever and work out what their behaviour is really saying.

2. How behaviour works

- *Children continue behaviour when they feel it is being rewarded.*
- *Children stop behaviour when they feel it is not being rewarded.*

3. It takes an intelligent plan to manage kids wisely

And, this is even more so in the tricky moments. Let’s find some new ideas to manage in these moments!

This FREE parent workshop will be offered on:

Wednesday 14th June, from 7:00 – 8:30 p.m.
at Woodcroft Heights Children’s Centre
25 Investigator Drive, Woodcroft

Please note: there will not be a crèche available for this program.
